- * Grab your green barcoded ID book (A temporary ID or passport would also suffice). If you are not a South African citizen, you must present your passport.
- * A recent bill that shows your address (This can be a bank statement, municipal bill no older than three months or if you don't have a formal address, give us the address of a church or school in your area).

Register your SIM card at any one of our stores nationwide.

We'll do the rest!

Remember, you have until 1 December 2010 to register.
